

Newlife Fertility Price List

Our objective at the Newlife Fertility clinic is to instill a deep sense of quality and personal touch to the level of care experienced by every patient. We ensure that treatment costs are kept to a minimum and you are only advised the absolute necessary tests relevant to you the individual. Our aim at Newlife is to guide and support you through a very personalised Fertility Journey and to help you achieve your ultimate goals.

CONSULTATIONS (All consultations are with an IVF Specialist – Newlife is a Doctor led clinic)

Initial Consultation £200
£50 deposit is required at time of booking and this will be taken off the total cost of the appointment

Follow Up Consultation NO CHARGE
One appointment offered after an unsuccessful IVF/ICSI, frozen embryo, egg donation, surrogacy, or 3 failed IUI cycles

Follow Up Consultation (including after a fertility assessment, or after a mini-consultation prior to becoming a Newlife patient) £120
Telephone or in house

Mini-Consultation (for non-Newlife patients referred or self-referred for procedures) £100

Telephone Follow Up Consultation 15 minutes £50
Applies to all calls that involves speaking to a clinician

Should you require a copy of your medical notes there is a consent form that must be signed by both parties if applicable and there is a £40 administration fee. We legally have 40 days to provide you with your copy of notes but will always endeavour to get these to you by recorded delivery as soon as possible
